Two Rivers Unitarian Universalist

Dear Colleague,

It has been my honor and pleasure to get to know the Durango Unitarian Universalist Fellowship and its members over time; first, in the 1980s while serving as the chair of the district Extension Committee, and over the last seven years, while serving the UUA as a Special Assistant to the President for Growth Funding. I have been a guest speaker and workshop leader several times, most recently in February of 2013. The topics addressed included the value of membership growth and of professional ministerial leadership. Their development in both areas is admirable and inspirational!

The Unitarian Universalist Fellowship of Durango is blessed with very capable and committed lay leaders; they developed a beautiful building and grounds, a caring community, excellent programming for all ages, creative outreach, and they want to do more! That is why they want to work with a minister, especially to develop their ministry in the areas of pastoral care and outreach. Their growth and progress has been consistent and I am confident that it has not peaked. I highly recommend the UU Fellowship of Durango to you.

If you would like to speak with me further about the Durango Fellowship, please email me at [revstephanpapa@gmail.com](mailto:revstephanpapa@gmail.com) or call 303-775-3996.

Best wishes,

Rev. Dr. Stephan Papa, Minister
